

Hillbilly Jackets

The design at left has been approved by the board for use on a jacket back. The logo is one color only and approx. 8 inches in diameter. If you wish, you can have your name on the front left for a minimal charge as well. The club has had difficulty finding a single supplier that is able to provide the logo in both the embroidery style and the inexpensive silk-screen style. We have at long last, however, found such a vendor.

The jacket will be a baseball style jacket similar to those with which you are familiar in black satin with a lightweight lining, the ribbed bottom and cuffs, and a snap front closure.

Both styles must be ordered in quantity to get the best pricing. The silk-screened jackets must be ordered in lots of 24 to obtain a price of around \$30 including an embroidered name on the front. The embroidered-back jackets must be ordered in lots of 12 to obtain a price of around \$75 each. Prices are approximate at this point because to-date the company has not been given the electronic files to begin their work. And, yes, there will also be Calif. State Sales Taxes added to your purchases.

At this time, we have approximately six- eight members who have expressed interest in the embroidered jackets at this price. However, we need to know more before the club will go ahead with the project that requires an up-front expense from our treasury.

Therefore, please complete the form below as an expression of your interest in purchasing a new club jacket and what type you would prefer. This is not your order at this point. Your club board will be able to decide the viability of proceeding further based on your response. We will ask you for your actual order in the future, size, etc., if we find there is sufficient interest among club members.

Your club has endeavored to provide a classic and timeless logo that will be useful for many years to come. When digitized, the club will own the disk for future use. The digitized logo will be available for you to add to your wardrobe on a very wide range of clothing styles. Many local merchants offer this type service and have many catalogs containing shirts, T-shirts, totes, and more.

Please be so kind as to return this form to your Membership Chair, Karen Geller-Shinn, 15006 Dafodil Ave., Santa Clarita, CA 91387. If you think, "Oh, well, I don't need to bother, everyone else will do it." It's unlikely we'll have the number of interested parties needed to go forward with the project. Remember our club is fairly small, so each needs to be "counted;" so please fill out and mail the form to Karen!
